

Sometimes your best insurance is your fire department.

Supporting Firefighters for Safer Communities.

Unfortunately, many fire departments across the country lack the resources they need to fully protect their communities.

That's why United Insurance Agencies, Inc. and Fireman's Fund Insurance Company will be awarding the Muncie Fire Department a \$6,000 grant for fire nozzles, hydrant wrench sets, rechargeable flashlights, and a variety of axes and poles.

Please join us.

Date:

September 1, 2009 at 3:00 p.m.
